

Swimmers

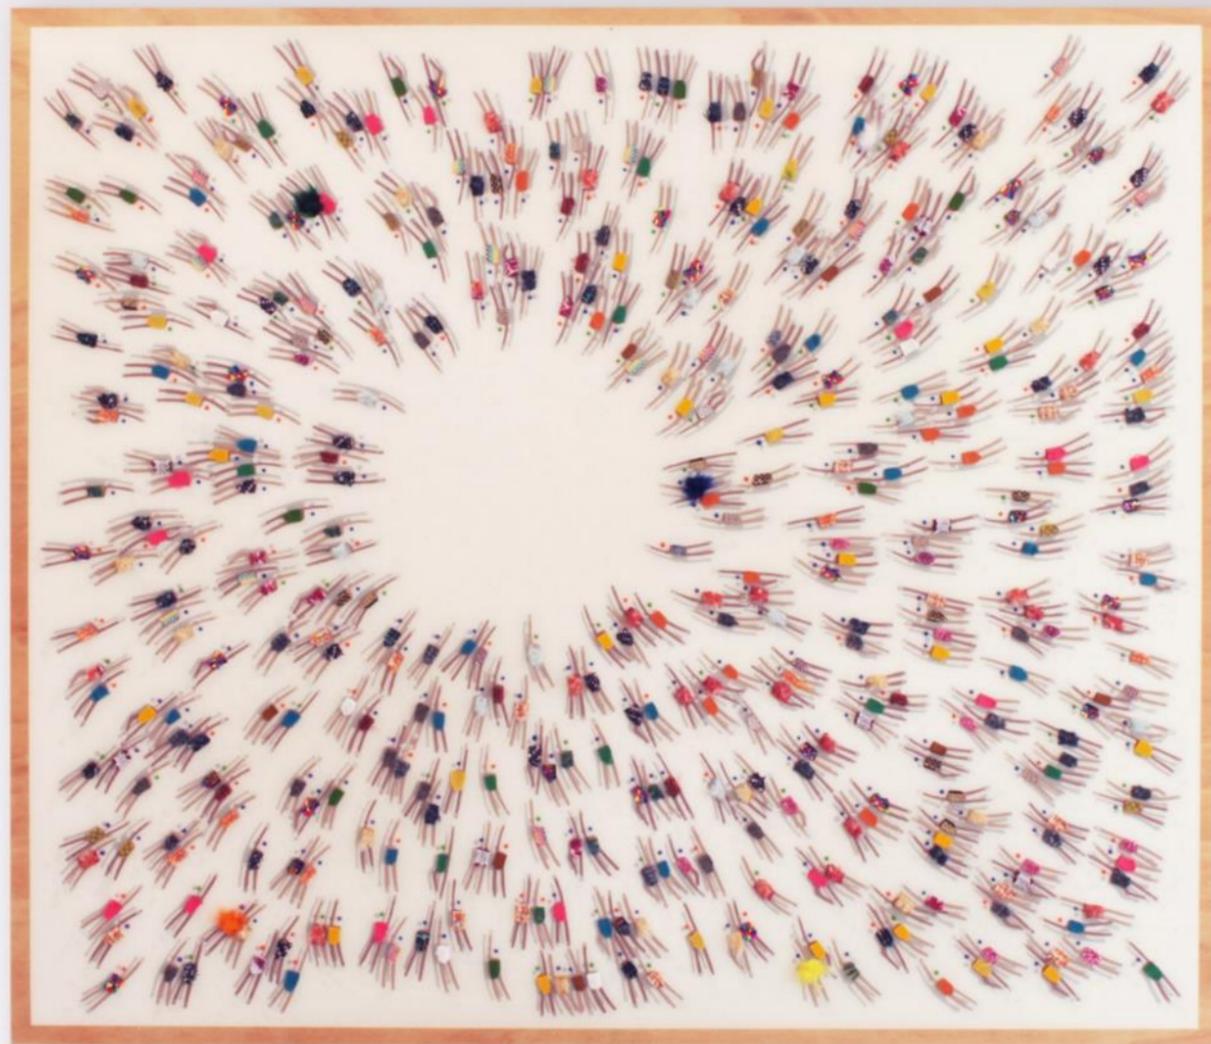

by RubenAbstract

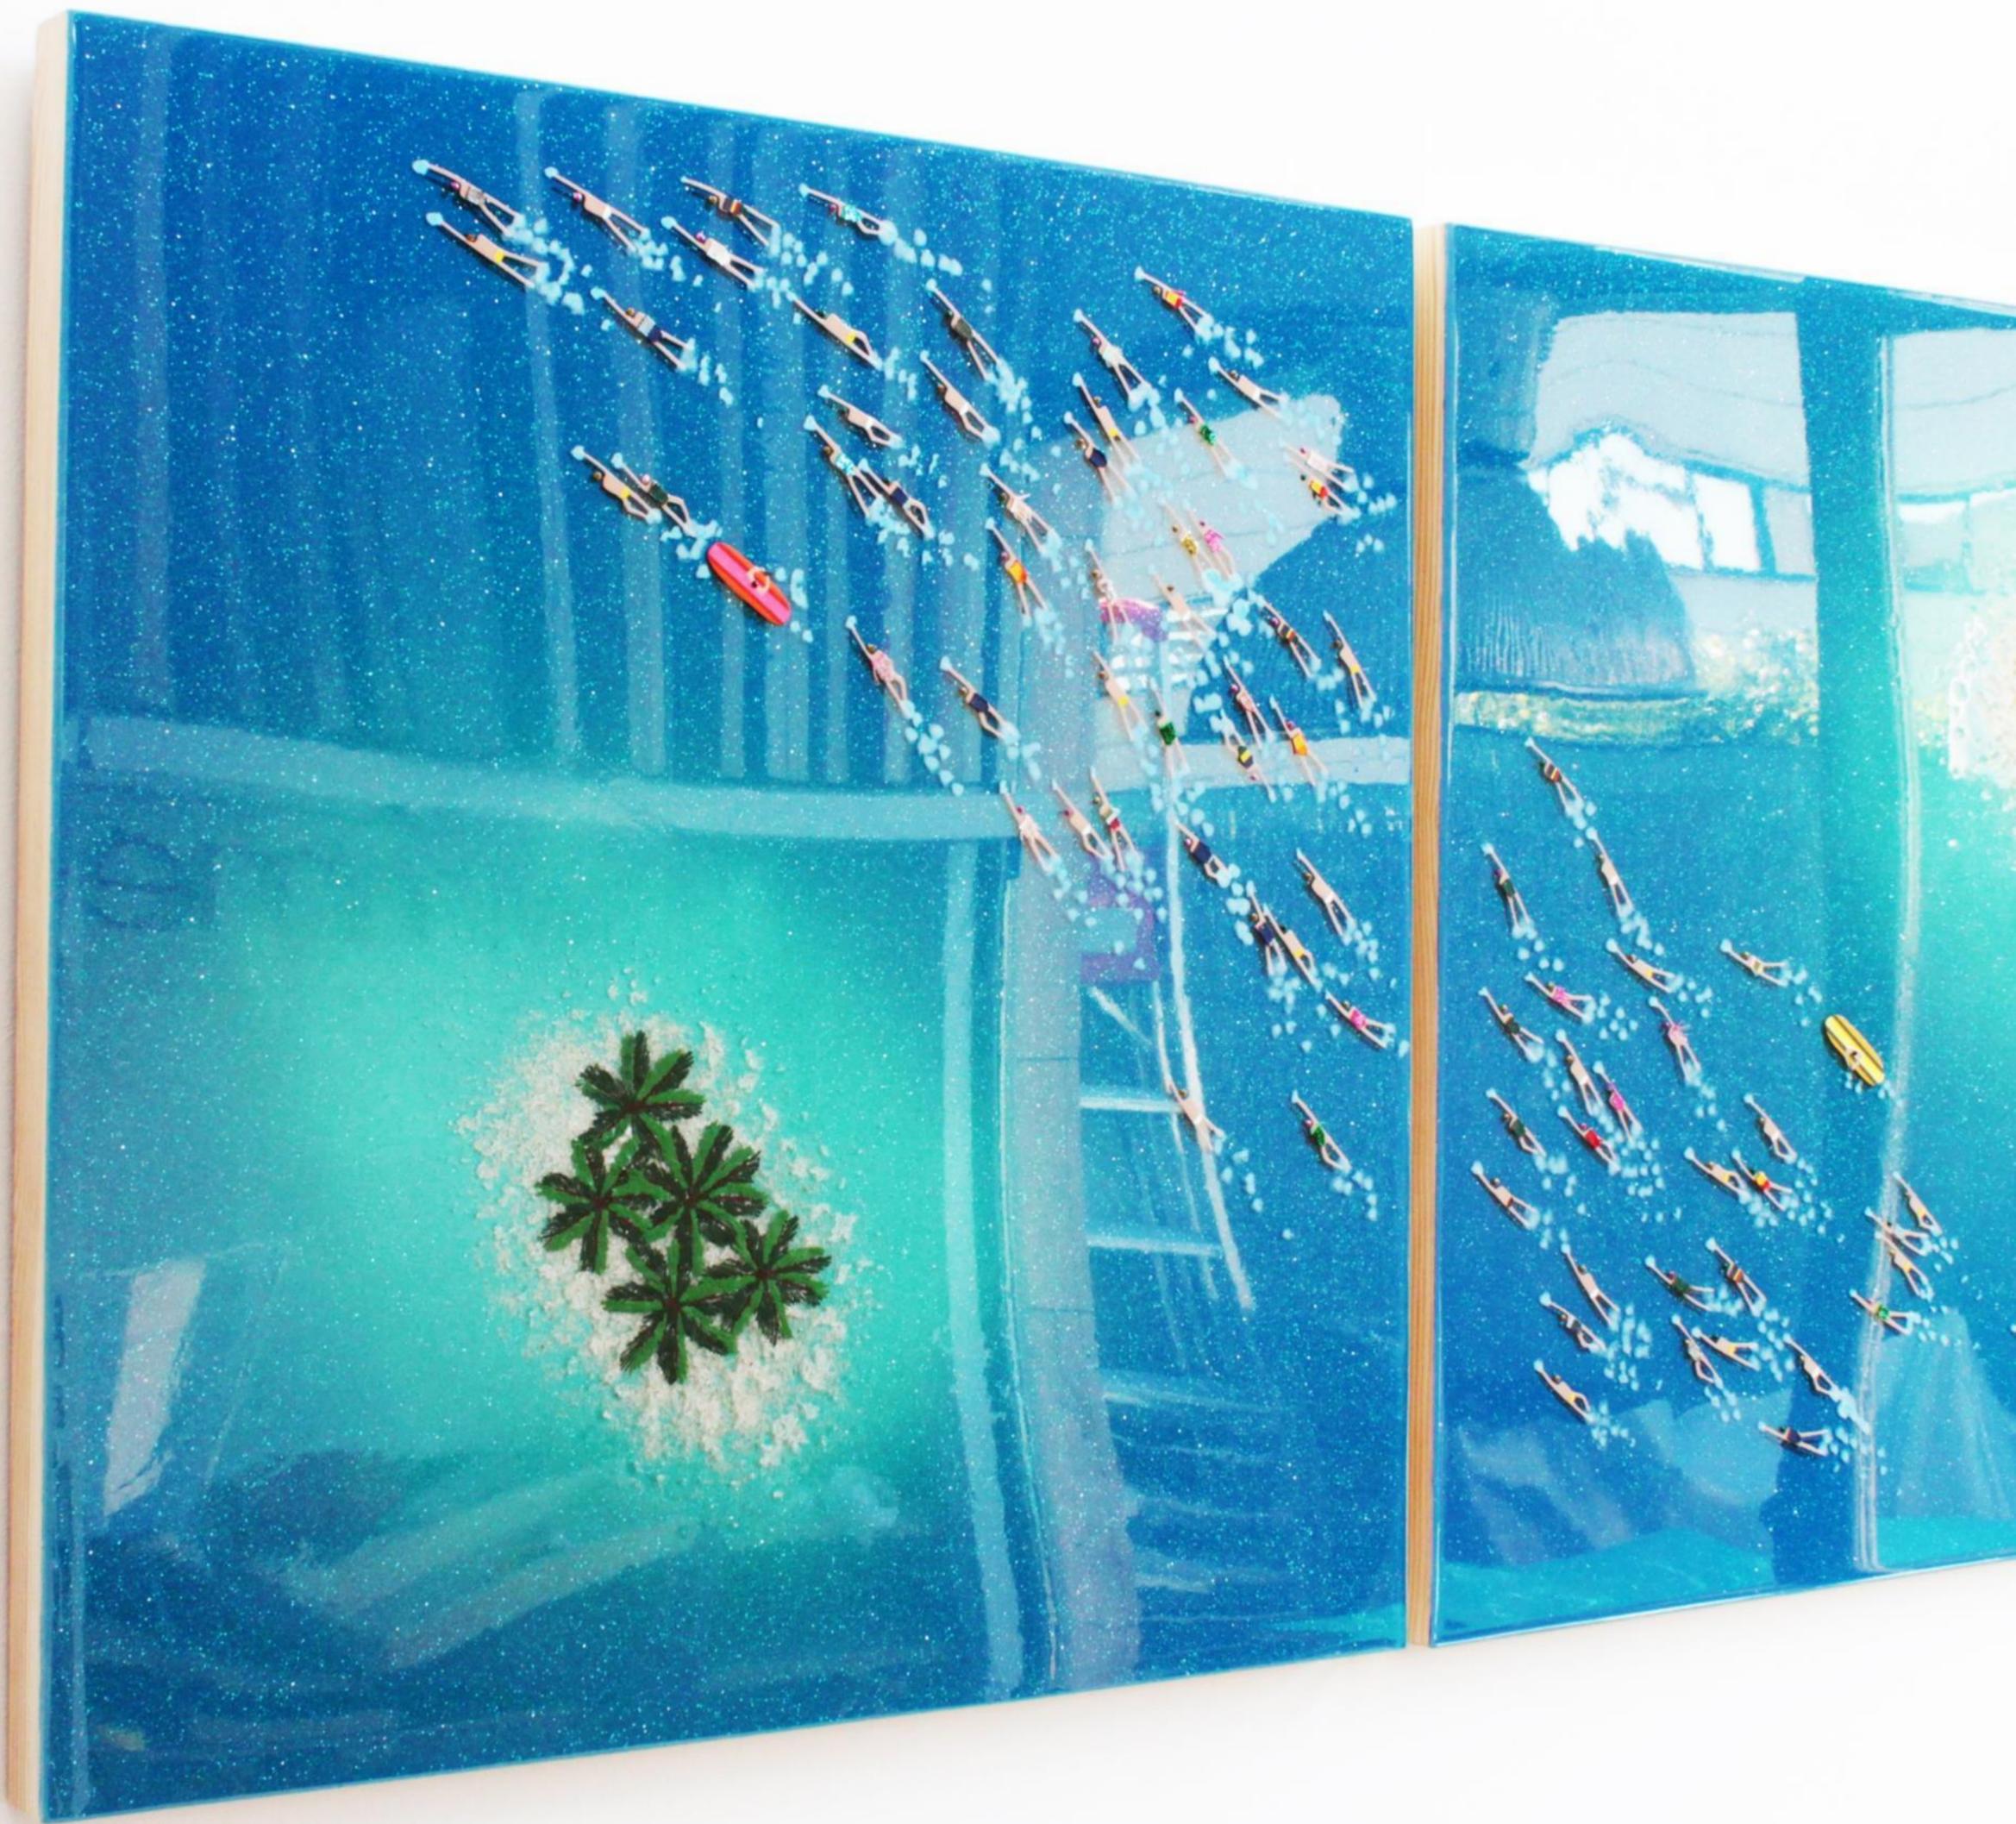

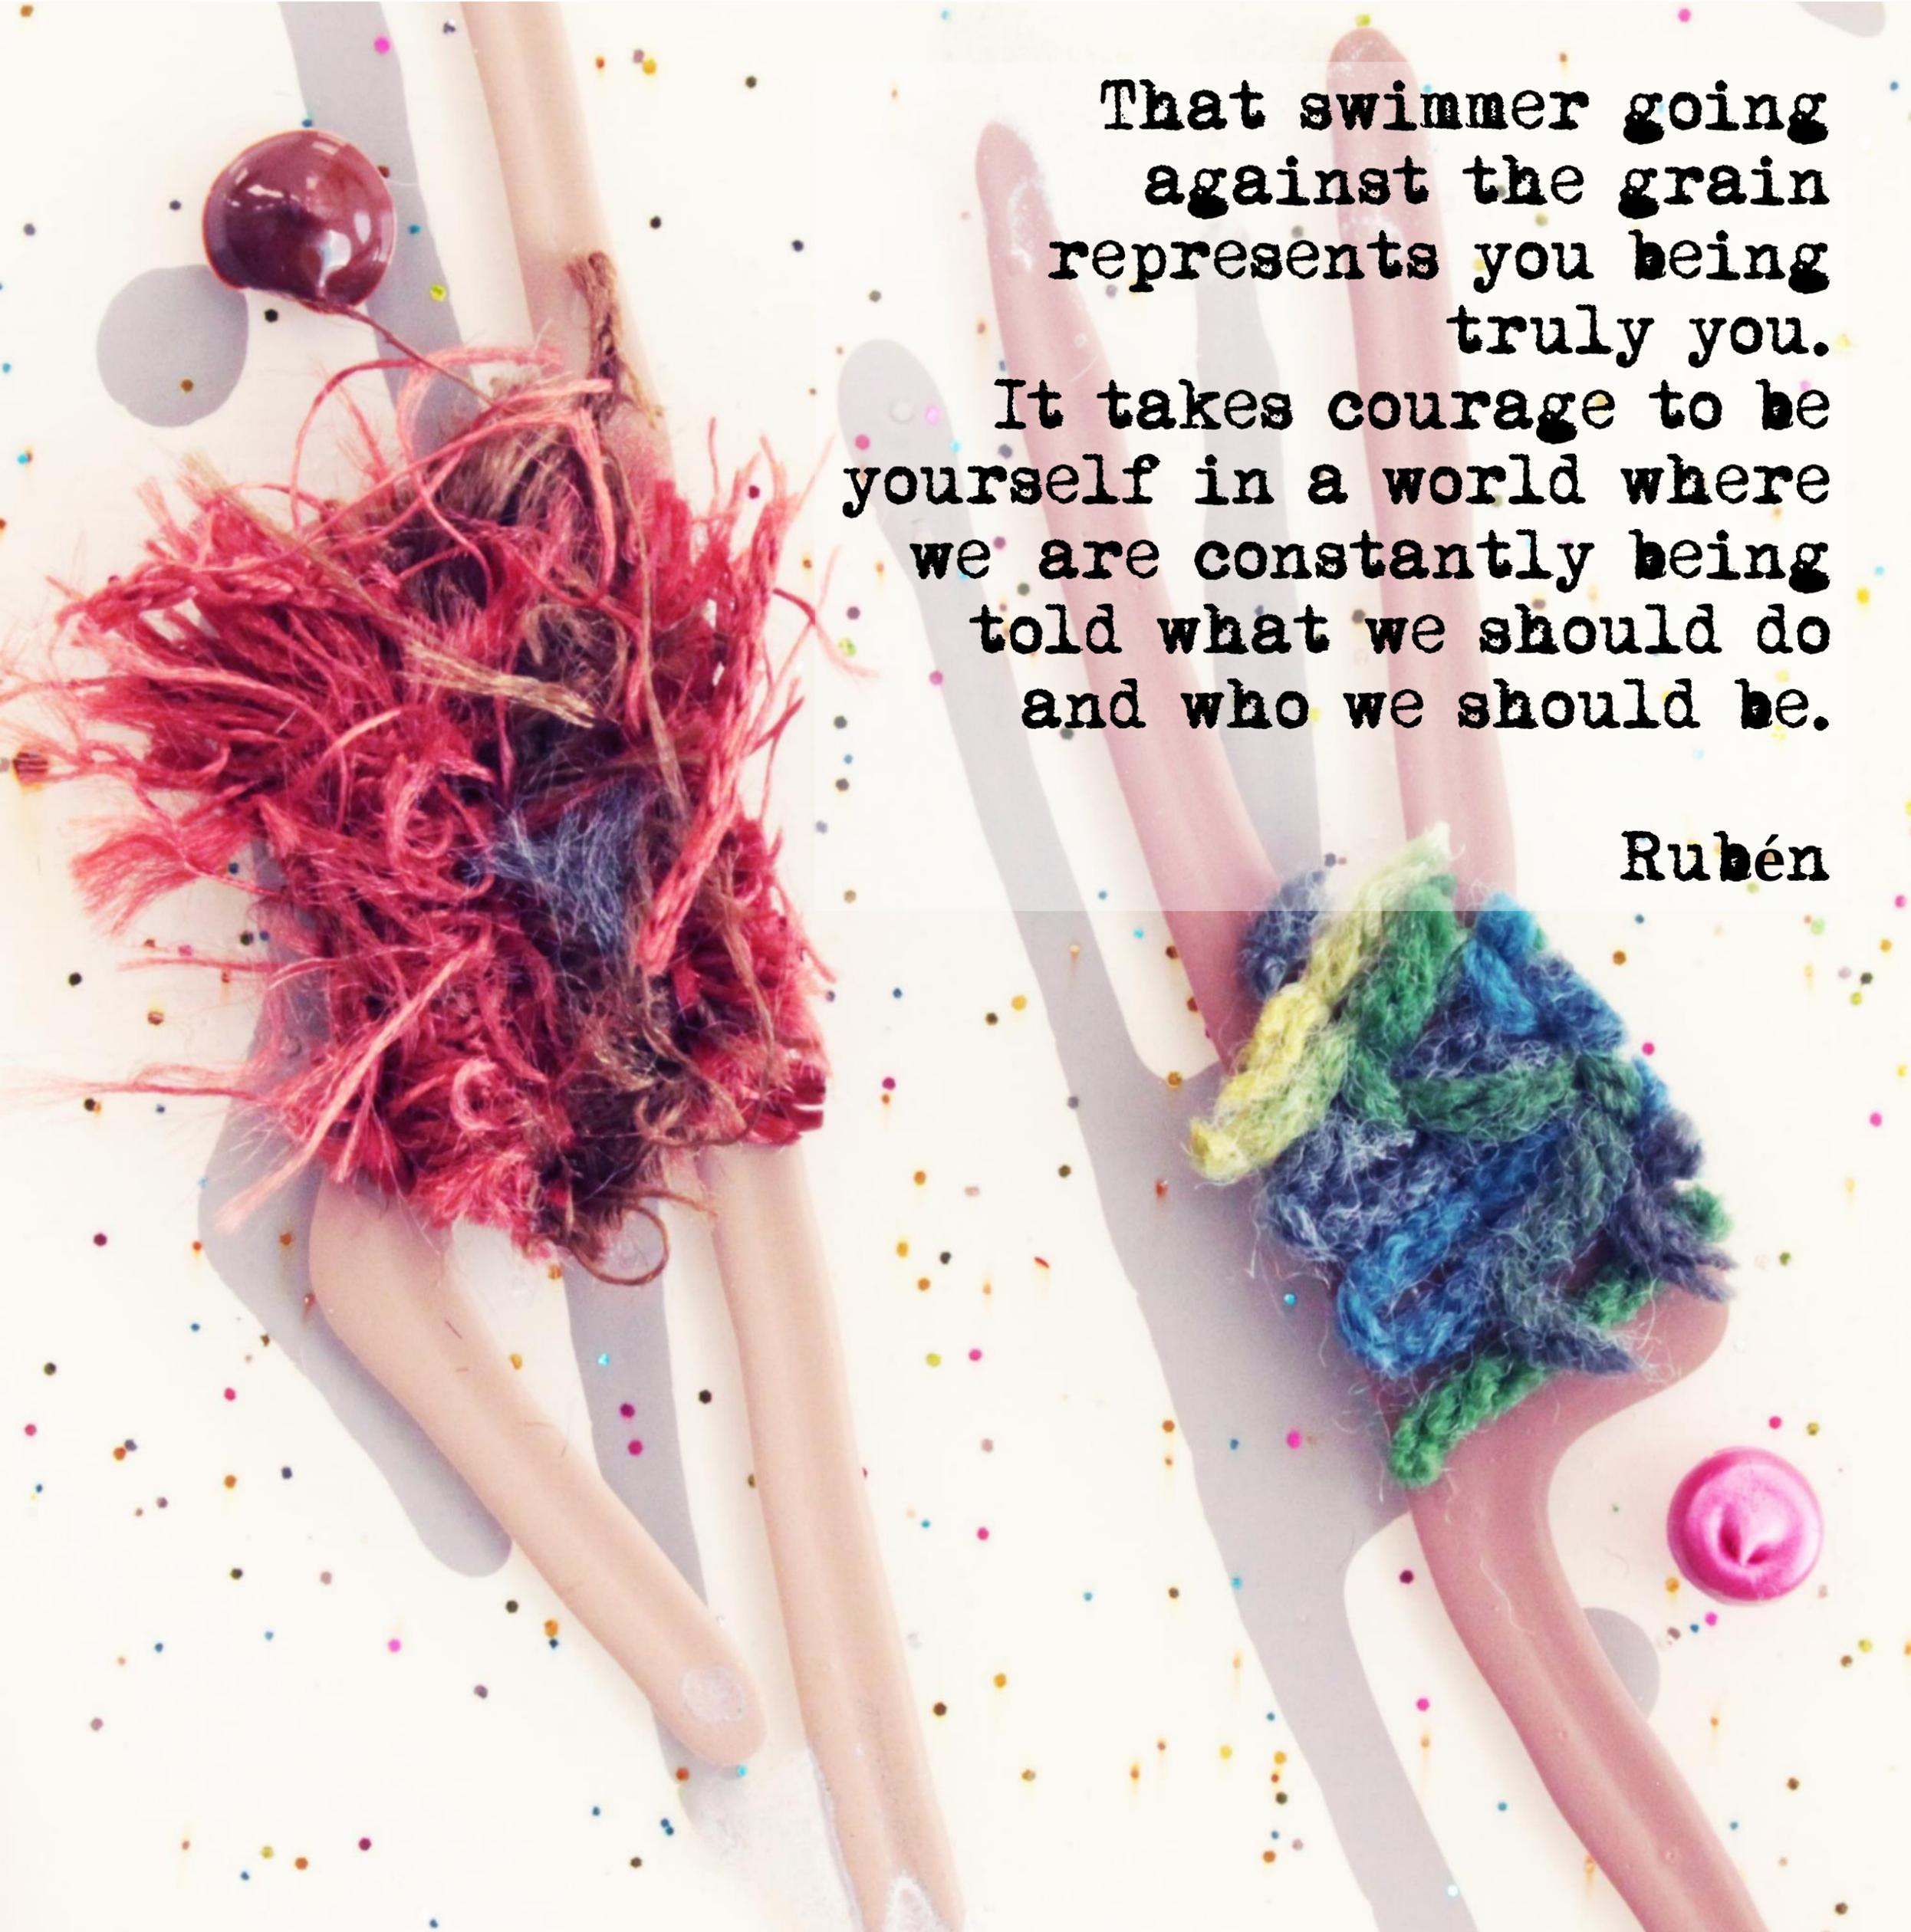

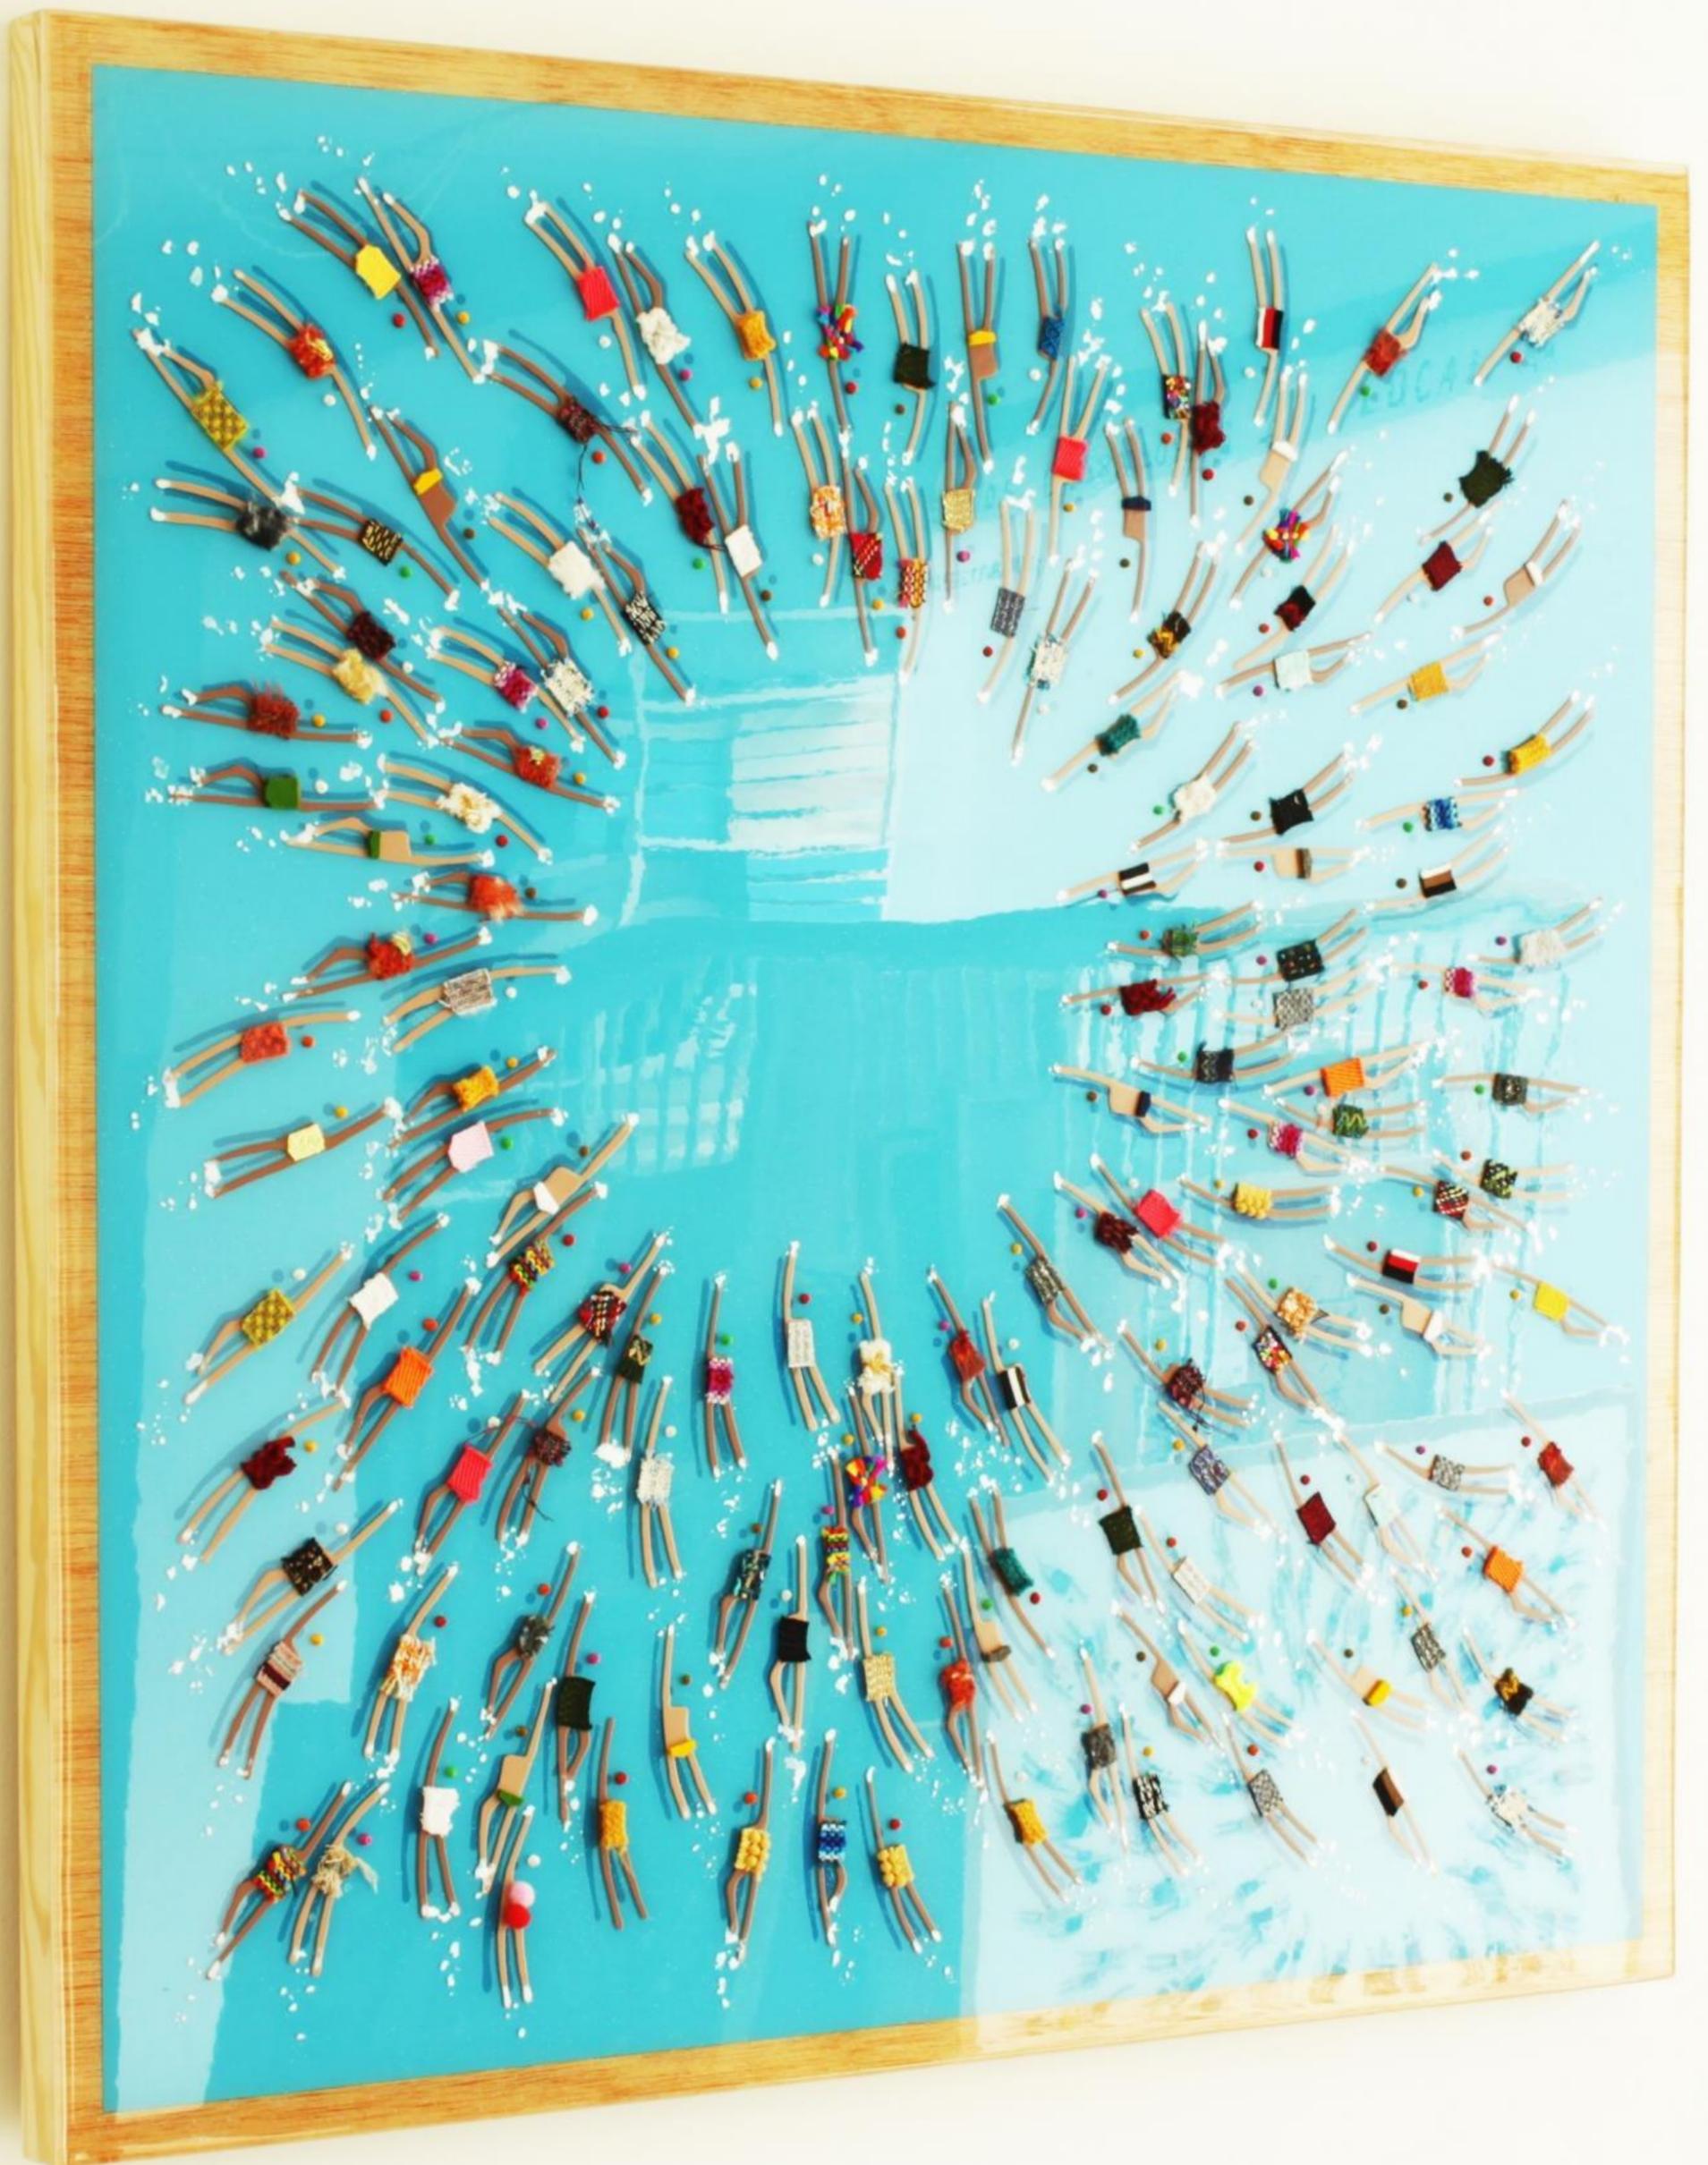

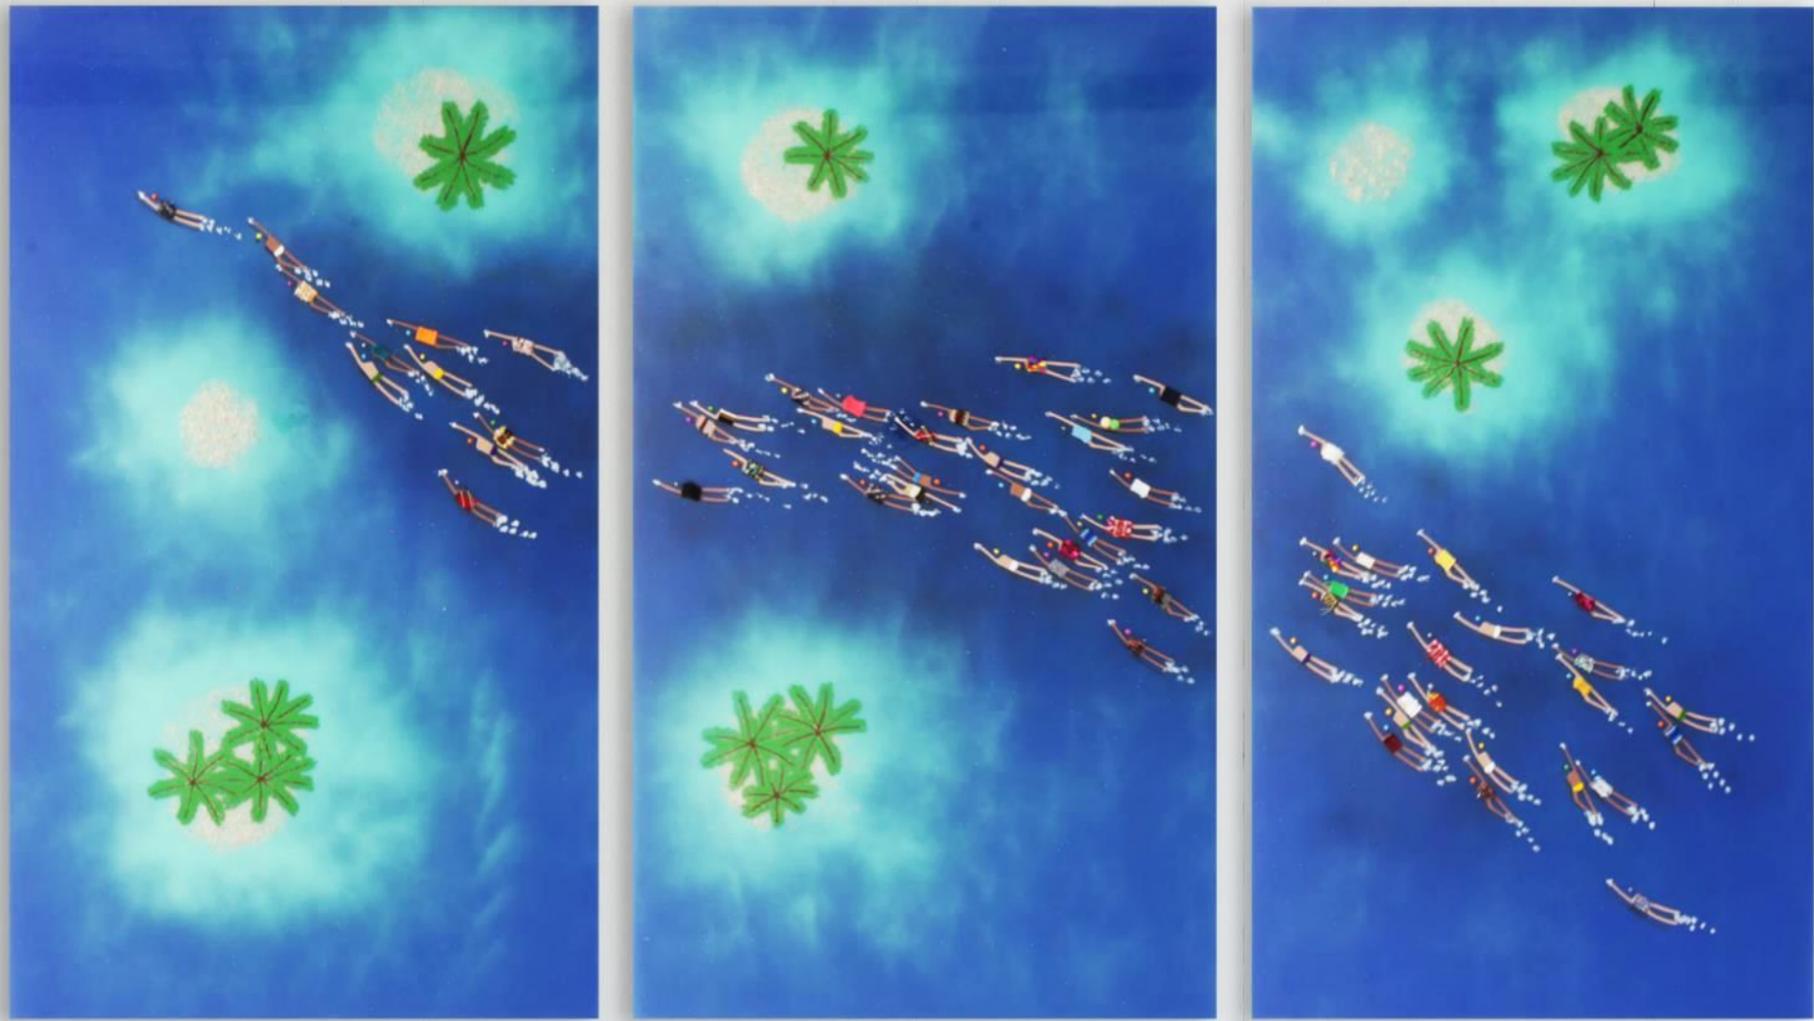

The image features two hands, one light-skinned and one darker-skinned, holding clumps of wool. The left hand holds a large, messy clump of red and pink wool. The right hand holds a smaller clump of multi-colored wool in shades of blue, green, and yellow. The background is white with scattered colorful confetti. A red cherry is visible in the upper left, and a pink rose is in the lower right. A semi-transparent text box is overlaid on the right side of the image.

That swimmer going
against the grain
represents you being
truly you.

It takes courage to be
yourself in a world where
we are constantly being
told what we should do
and who we should be.
